

How Do I Use a Soil Survey?

Step 1:

Look at the **General Soils Map**

Step 2:

Identify the desired area on the **Map Index**

Centennial materials made possible by the support of:
USDA-Natural Resources Conservation Service
Alabama Association of RC&D Councils
Alabama Catfish Producers
Professional Soil Classifiers Association of Alabama
Alabama Association of Conservation Districts
Alabama Chapter, Soil and Water Conservation Society
Alabama Cooperative Extension System
Alabama Soil and Water Conservation Committee

A soil survey is made up of:

Text
Tables
Maps

Step 3:

Look at the **detailed soil map**. Note the map unit symbols.

Soil Surveys are used to
Predict
Estimate
the
Potential
Limitations
of soil

Step 4:

Turn to the **Contents** to find the location of the map unit description.
